Dear Ms. Lopez:

I have been preparing my reply to your response to the State Defendants' motion to dismiss. Your response mentions that there are exhibits to your response, and I believe you confirmed with the Court on the last status date that you would be filing exhibits. I don't see any exhibits have been filed. Do you plan to file any exhibits? If so, can you please do so and/or provide me with a copy?

Sincerely,

Marci L. Sahinoglu

I'm submitting my exhibits today. I have been denied access to my record for nearly two years, so it was difficult to get my documents. Also, I was sent a fake warrant from Barrett, so I was confined to my home for months, so that added to the complexity in going to courthouse to get my documents. All this information with evidence will be submitted.
